Public Health - South Kanara District - Provision of public latrines in ferries - orders passed.

E+P.H.E2

P.H. – South Kanara Dt – Provision of public urinals and latrines in ferries
Memo No. 45039A/72-E2-PH dated 13.6.67
by Govt noticed

It is observed that there are a number of ferries in South Kanara Dt which the public have to cross to go from one place to another. No public urinals or latrines or waiting rooms are provided at these ferries. Often the members of the travelling public especially women are put to much inconvenience while waiting for buses at these ferries. The D.P.H is requested to send his suggestions/Recommendations on the question of providing these conveniences at the ferries either by the Dt Bd or by Govt.

The D.P.H is requested to send his reply through the Board of Revenue.

2) From Collector, South Kanara, D.Dis. 8578-47 dated 6-8-47.

Ref: Board's Ref. No. A. 2808/47-1 dated 23-6-47.

There are 10 important ferries in this District having very heavy traffic. Eight of them lie along the coast road from Mangalore to Baindur, the ninth is at Uppinangady in Puttur Taluk and the tenth at Chandragiri in Kasaragod Taluk. Their names are furnished below:-

1. Kulur Ferry
2. Pavanje Ferry
3. Mulky ferry
4. Udyavar ferry
5. Badragiri ferry (Kalyanpur)
6. Mabukal ferry
7. Gangolly ferry
8. Uppunda ferry
9. Uppinangady ferry
10. Chandragiri ferry.

All the ferries except Nos. 8 Uppunda ferry, and 9 Uppinangady, vest in the Highways Department, and the excepted two vest in the South Kanara District Board.

2. Some inconvenience is felt by the travelling public, especially by women, for want of urinals and waiting sheds while waiting for buses at these ferries. I suggest that the Government in the Highways Department and the District Board, South Kanara may take up the work of providing these conveniences at the ferries controlled by the Highways Department and South Kanara District Board, respectively.

3. The remaining ferries in this District being unimportant, the conveniences referred to in the Board's reference are not necessary in these cases.

3) From the Director of Public Health, L.Dis. 38256 -1-Hyg/47 dated 27-9-47.

Plante Ref: Government Memorandum No. 45039-A.2-E.2-P.H. dated 13th June, 1947.

The District Health Officer, South Kanara, states that although there are 123 ferries in the District, only

P.T.O.

only eleven are on the Bus routes. Out of these eleven ferries, eight are important ones having heavy traffic. They are:

(1) Kallur	(5) Kallinapur
(2) Pavanje	(6) Mabukal
(3) Mulki	(7) Gangolly, and
(4) Udivara	(8) Uppunda.

2. A two seater latrine of the flush-out type may be provided on either side of each of the above eight ferries. No separate urinal is necessary. One of the seats is intended for men and the other for women. Clear sign-boards with pictures are necessary to show the compartment reserved for each sex. The cost of 16 such latrines will come to about Rs. 8,000/-. As the stay at the ferry is only for a short period, no waiting shed appears to be necessary. These latrines may be constructed departmentally and half the cost recovered from the District Board.

Submitted to Government.

2. The Board agrees with the Director of Public Health and suggests that sanitary conveniences may be provided for 8 out of the 10 ferries proposed by the Collector of South Kanara. These arrangements are needed mainly for the passengers who travel by buses.

3. The Board also agrees that waiting sheds are not necessary as the halt at the ferry site may be short and buses may be waiting at the other end to pick up passengers.

4. As seven out of the eight ferries proposed by the Director of Public Health are in charge of the Highways Department and only one ferry viz., Uppanda ferry is in charge of the District Board, the Board suggests that the respective department which gets the revenue may be asked to bear the full cost of providing these conveniences.

The Govt consider that the provision of ~~public latrines~~ sanitary conveniences in the following important ferries in S. Kanara Dt is necessary as the travelling public who wait for buses at these ferries are put to much inconvenience for want of them.

1. Kulur ferry
2. Paranje ferry
3. Mulky ferry
4. Udyavar ferry
5. Badragiri ferry
6. Mabukal ferry
7. Uppunda Gangolly ferry and
8. Uppunda ferry.

Of these eight ferries the first seven ~~ferries~~ vest in the Highways Dept and the last ~~ferry namely the Uppunda ferry vests~~ in the S. Kanara Dt Bd. A two seater latrine of the flush-out type should be put up ~~will be necessary~~ on either side of each of the ferries, one of the seats being intended for men and the other for women. Clear sign-boards with pictures should be put up to show the compartment reserved for each sex.

2. It is estimated that ~~the~~ each two-seater latrine will cost about Rs ~~500~~ 500. The entire cost of the latrines should be

Highways Dept in the case of the first seven
met by the ~~Dept concerned through the~~
ferries and by the St Bd in the case of the last ferry.
~~receive from the ferries~~. The CE (Highways)
and the S.O. S. Kanara Dt Bd. are ~~requested~~
early steps for
requested to take ~~necessary action~~
in the matter the Construction of the latrines.

There are a number of ferries in South Kanara District which the public have to cross to go from one place to another. No public urinals or latrines or waiting rooms are provided at these ferries. Very often members of the travelling public have to wait for buses at these ferries and they (especially the women) are put to much inconvenience for want of these urinals etc. The income from the ferries, I understand, goes to the District Board. The question of providing these conveniences at the ferries either by the District Board or at the cost of Govt. should be examined.

PP5-5CF — Cno 94 296 from the Bd of Rev. Lr. Dis A. 2808/63 d 27.11.64

P5 CF — The Collr. of S. Kanara has reported that there are 10 important ferries in the district as shown below where there is heavy traffic and recommends that urinals and waiting sheds may be provided in them as some inconvenience is felt by the travelling public especially women :-

1. Kulur ferry
2. Pavanje ferry
3. Maltry ferry
4. Udyavar ferry
5. Badragiri ferry
6. Malpe ferry
7. Gangolly ferry

} Highways Dept

8. Uppunda ferry
9. Uppinangady ferry } Dt. Bd
10. Chandragiri ferry — Highways Dept.

P6 CF — The D.H.O however considers that only the first eight ferries are of importance. The DPH therefore suggests that a two seater latrine may be provided on either side of each of these eight ferries one of the seats being intended for men and the other for women but that no waiting shed or urinal is necessary. The total cost of the latrines is estimated at about Rs. 8000. and the DPH suggests that the latrines may be constructed departmentally and that half the cost recovered from the Dt. Bd.

P6 CF — The Bd of Rev agrees with 'A' above. As regards 'B' it is of the

view that the respective Depts which gets the revenue should meet the entire cost. Pt 1-2

Seven of these ferries are in charge of the Highways Dept which will have to meet the cost of these ferries. The eighth ferry viz. the ferry Uppanda is under the Dt Bd. The Dt Bd may be asked to meet the entire cost from its funds. BS 6/12
